

- Supported
 - Know good solution always works
 - If doesn't work it's down to the car
 - With these we will deliver with tune and DPF, etc
- Unsupported EGR solution
 - Known to have some problems
 - Relies on the EGR valve not being stuck in one position
 - No support. No redo's. Credit only with Log
- Non-supported EGR Solution
 - We do not do files for these vehicles, ever
 - solutions using blanking plates for these engine. The owners forums are a good source of information and fitment guides
 - No gasoline / petrol engine EGR deletes are supported
